

BUILDING TRUST. DELIVERING EXCELLENCE.

Excavation. Infrastructure. Civil works.

A committed construction partner across Maharashtra and Gujarat.

SOLID FOUNDATIONS. LASTING RELATIONSHIPS.

Since 2016, SJ Constructions has built its reputation in Ahmednagar and Pune through honest work, dependable execution and a commitment to quality.

2016

ESTABLISHED

Built on trust.
Driven by commitment.

Our highly qualified personnel understand both construction operations and the design process. This enables cost-effective, quality-controlled site management for projects large and small.

Every project receives personal attention from planning through to completion. We prioritise transparent communication, client education and strong working partnerships throughout the process.

THE RIGHT PARTNER. FROM THE GROUND UP.

READY FOR THE GROUNDWORK.

End-to-end site solutions, delivered with precision and personal attention.

01 Earth & Footing Excavation

Accurate earthwork and stable foundations for projects of every scale.

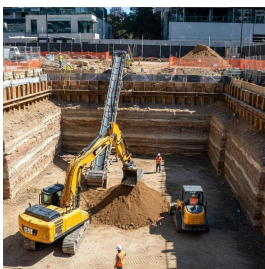

Earth excavation / Footing excavation / Cut and fill

02 Rock & Controlled Blasting

Specialist excavation for demanding ground conditions, supported by rock-breaking equipment.

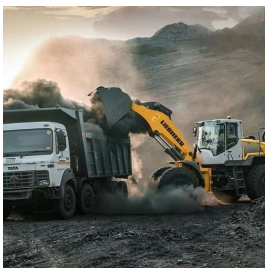

Rock excavation / Controlled blasting

03 Basement & Trench Excavation

Careful excavation for below-ground structures, utility routes and infrastructure.

Basement excavation / Trench excavation / Muck excavation

04 Building Construction

Full-scale civil works, with rigorous quality control and site management from start to finish.

Building construction / Site management

ONGOING PROJECTS.

VISIBLE PROGRESS.

Metro infrastructure, irrigation and commercial development.
 Every project listed below covers excavation work.

PROJECT / CLIENT	VALUE / INR	MONTHS	STATUS
Pune Metro Swargate, Pune / J. Kumar Infraprojects Ltd.	1.50 Cr	3	100%
Irrigation Project Solapur / Irrigation works	1.25 Cr	2	60%
RR Properties Pune / RR Properties	0.50 Cr	3	80%
Pimpri Chinchwad Metro Pimpri Chinchwad / NCC Ltd.	0.65 Cr	3.5	95%
Surat Metro Surat / J. Kumar Infraprojects Ltd.	1.25 Cr	24	80%

Portfolio figures are reproduced from the supplied company profile and project schedule. Swargate is listed at 100% within that schedule; these are reported figures, not a live project feed.

BUILT FOR HEAVY WORK.

A modern, well-maintained fleet supports operational readiness and efficiency on every project.

12**Excavators**

Heavy excavation, trenching and material handling.

02**Tanker Trucks**

Water transport and dust suppression.

02**Trailer Trucks**

Movement of machinery and large equipment.

04**Concrete Mixers**

On-site concrete mixing and delivery.

02**Long-Reach Excavators**

Deep and extended excavation work zones.

01**RMC Plant / 60 TPS**

Ready-mix concrete production.

03**Backhoe Loaders**

Versatile digging, loading and site preparation.

30**Hywa Trucks**

Transport of earth, aggregates and materials.

03**Pickup Trucks**

Tools, parts and support materials.

03**Soil Compactors**

Ground compaction for roads and foundations.

01**Asphalt Plant**

Asphalt mix for road surfacing.

EQUIPMENT CATEGORIES

EXPERIENCED PEOPLE. PERSONAL COMMITMENT.

From site engineers and supervisors to operators and drivers, our people support quality and reliability on every project.

04 **Site Engineers**
Technical oversight and quality control.

05 **Site Supervisors**
On-ground coordination and safety.

01 **Accountant**
Financial management and compliance.

18 **Professional Operators**
Certified heavy-machinery operators.

35 **Heavy-Vehicle Drivers**
Transport and logistics expertise.

THE WAY WE WORK

Trusted Since 2016

A proven track record across Maharashtra and Gujarat.

Full-Service Capability

Excavation, civil works and specialised operations.

Quality Assured

Transparent processes and personal project oversight.

YOUR NEXT PROJECT. OUR COMMITMENT.

Metro infrastructure, commercial development or specialised excavation.
Let us discuss the people, equipment and expertise your project needs.
